

The Festival Theatre at HEVER CASTLE

"I would like to congratulate you all for an excellent Summer Festival. I think it has all come together very well now with excellent facilities to go with the very enjoyable entertainment. I am very much looking forward to next year!"

A Perfect Summer's Evening

SPONSORSHIP OPPORTUNITIES

The Festival Theatre is an independently owned, open air venue set in a magical location in the grounds of Hever Castle. We offer a rich selection of performing arts and music. Having invested much into new facilities we are now looking to further improve and secure the future development and success of our Summer Arts Festival.

How you could help

We are particularly keen to secure sponsorship for each show in our 2012 season, in order that we may continue to expand the range of productions we offer, whilst maintaining excellence in performance.

We would love to hear from business partners who could assist with the new facilities we have planned for next year.

In return we can offer

- Advertising in our Summer Festival Brochure
- Advert and link on our website
- Advertising in the event programmes, or pre-film show reels for cinema
- Complimentary show tickets
- Specific branding at the Theatre
- Display space at Summer Festival events
- Discounts on private hire of the Theatre
- Exclusive opportunities to meet performers and artists
- Hospitality packages

Immediate plans include

- New seating in the auditorium.
- New canopies for the covered seating stands.
- An upgrade to our box office software to enable online ticketing.
- New staging, to replace the currently hired stage.

"We have been attending Hever for way over 10 years. The 4 shows we have seen this year have been the best ever. Keep up the good work!"

There are no restrictions to the level of sponsorship that would help the theatre; higher or lower, corporate or individual and we would welcome the opportunity to discuss your involvement with you further.
